

‘DIY’ Move Management Package

\$450 plus GST

Some people need a lot of help while others only need a little. If you have support from your family but need some expert advice about downsizing successfully our DIY package will suit you perfectly. You and your family may be looking around asking “Where do I begin?” a common question when you’ve lived in your home for many years. Practically Daughters will provide you with a step-by-step plan, including resources, so that your eventual move to a Senior Community or smaller residence is a smooth transition. Call us to find out more about how our Move Managers can help you stretch your transition dollars where you implement your customized downsizing and moving plan.

- Provide a comprehensive in-home consultation and needs evaluation
- Design a customized home supportive relocation plan
- Make recommendations for a furniture and household goods selection
- Prepare a floor plan for the new residence
- Equip you with a list of resources (charities, shredding companies, junk removers, movers) to purge, disburse or sell items you no longer need and get your home ready for the real estate market etc.
- Option to apply fees towards an upgraded package in the future.
- Our book, [Good Riddance: Showing Clutter the Door](#)

“Move Only” Move Management Package

Call for a quote

Do you have support necessary to manage all of the details and physical demands associated with your relocation? If family or friends are not nearby to assist you and you do not require any downsizing you may simply need support to orchestrate your move. “Downsize and Move”

All Inclusive Move Management Package

Quote Available on Request

Our "Downsize and Move" All-Inclusive Package includes both moving and downsizing services. You receive all of the assistance outlined in the "Move Only" package. Plus, our move managers deliver non-judgmental support by doing the legwork to disburse and dispose of unwanted belongings through sale, donation and recycling. Our team helps to sort, purge then pack all items either going with you to your new residence, to charity, to family members or for sale

- Sort and organize all recycling
- Mutually agree upon items that can be donated to a charity of your choice
- Mail items to family members
- Arrange for and oversee charity pick-up at your convenience
- Provide you with a certified appraiser (if required)
- Identify items that can be sold through consignment or auction and pack these items
- Assist in the decision making process throughout the project
- Arrange for and coordinate movers to transport items for consignment and/or auction
- Bring in junk removal and shredding service
- Stage home with client's possessions (if required)
- Arrange for cleaning service
- Coordinate removal of toxic items from home
- Oversee move on moving day
- Connect with management of the new residence
- Book elevators
- Pack and unpack
- Supply boxes and moving supplies at cost
- Pack up and inventory items for storage
- Safeguard medical supplies, medications and documents
- Make beds, hang pictures, connect appliances and electronics
- Clear away all packing material
- Offer support before, during and after the move
- Our book, Good Riddance: Showing Clutter the Door
